AMERICAN LEATHER

Discover the next level of relaxation with our new Comfort Solace Motion Recliner.

KEY BENEFITS:

Ergonomic Design

Expertly crafted with your body's natural ergonomics in mind, the Comfort Solace reduces joint pressure, supports healthy alignment, and improves circulation—all while delivering unmatched comfort.

Customizable Comfort

Choose from an array of styles, premium fabrics or leathers, and accents and tailor your chair to your unique needs and space.

Zero Gravity Feature

Fully recline into the "zero gravity" position, with your feet elevated above your heart, to relieve the everyday stress gravity puts on your body.

CIRRUS

CLOUD

RAINIER

Styles inspired by our best-selling seating collections.
Available to order in Comfort Air and Comfort Echo.

Contact an American Leather Representative for more information.
